

# Front Porch

## PANTRY PROJECT

You and your family can **make a difference!**

Help us fill the shelves of the MIYJCC's Rudman Family Food Pantry by running your own **family food collection** on your front porch!

It's as easy as **1, 2, 3:**

- 1 Pick up your box and poster** from the Mid-Island Y JCC and put it in front of your house.
- 2 Start your collection!** Contact your neighbors, family and friends to let them know you are running a front porch food collection.
- 3 Take a family picture with a filled box** before you return it to the Mid-Island Y JCC. Post your picture on Facebook and don't forget to tag the MIYJCC!
